**State of the Township Address** Supervisor Boyd: Thank you to the Board for all of our accomplishments over this past year. Between all of us, we kept our Township in good shape financially. We were able to purchase some new turnout gear for the fire department. Thank you to our support staff (chief & Janet Smythe) for their hard work throughout the year. The chief's leadership with the fire department made our fire department second to none. Again, thank you Janet Smythe for all your hard work. We were slowed down a little by COVID, but we still managed to get all our meetings in, and kept the Township going. Our internet will be hooked up later this month. The Board is doing a great job. Selma Township taxpayers should be pleased with us. Thank you all for your service.
